To Whom it May Concern:

I would like to personally recommend Ryan Spevack to any position that you may have within your organization. He is a hard working, dedicated, and intelligent individual to work with.

On all of the projects that I assigned to him to accomplish he has shown a natural ability to get the job done. He was an excellent acquisitions assistant. He learned all the aspects of the acquisitions process and general knowledge of how a film distribution company operates.

Ryan has shown that he has a passion for the business end of the entertainment industry. He is a team player with a motivated work ethic, and will be an asset to any company. He was a pleasure to work with.

If you have any questions about Mr. Spevack, please give me a call at 818-788-4011 ext. 310.

Sincerely,

Ava B.
